Training, Site Audits, Safety Policy and Programs, WSIB Claims Management

Protocols for in person training

- All participants must answer a questionnaire on their current state of health on the day of training.
- All persons must have their temperature checked on arrival using a non-contact thermometer.
- Each participant must have a face covering (non-medical or cloth mask). We have available for purchase.
- All persons must maintain 2 meter separation as much as possible.
- Each participant must have required equipment (harness etc. in good working order).
- Each participant agrees to notify Build with Safety if they or a family member acquires Covid-19 symptoms in the 14 days following the in person training. (Contact tracing).
- All equipment will be sanitized at the beginning and end of each session.
- Payment is to be made prior to arrival.
- R.O.T to be given out after successful completion.
- Evaluations are not to be handled by anyone other than trainer. Sealed in envelope at completion by trainer.
